Let's pretend baby  
that you've just met me  
And I've never seen you before

I'll tell all my friends  
That I think you're starin'  
And you say the same to yours

And oh, we'll dance around it all night  
And then I'll follow you outside  
And try to open up my mouth  
And nothing comes out right

And I wanna fall in love with you again  
I don't have to try, it's so easy  
Who needs to pretend?

But because it's so funny  
Let's just think about it honey  
Let's just fall in love again

I'll call you in three days  
Not too soon, not too late  
And I'll ask your roommate if you're home

You'll call me on Thursday  
And we'll hang out all day  
Then fall asleep on the phone

And oh, I'll hold your hand when we drive  
And we'll lose track of all the time  
And we'll tell everyone that  
We ain't never felt so alive

And I wanna fall in love with you again  
I don't have to try, it's so easy  
Who needs to pretend?

But because it's so funny  
Let's just think about it honey  
Let's just fall in love again

We'll fall disgustingly fast  
And we'll stop hanging out with friends  
And they'll be so offended

And I wanna fall in love with you again  
I don't have to try, it's so easy  
Who needs to pretend?

But because it's so funny  
Let's just think about it honey  
Let's just fall in love again

Let's just fall in love again  
So let's just fall in love again
