I'll make you up and then I'll dress you down
I'm gonna kiss you all over this town
I'm gonna teach your love a lesson
Cause baby, you're everything I've been missin'

So kiss me with your heart
Touch me with your eyes
And love me with your soul
I'll never compromise
Holding your hand
Curing your pain
I'll give you love like a year of rainy days, oh

I'll wake you up with a little bit of feelin'
I open the blinds, you open your eyes
The way you make them shine makes me feel so alive
Baby, you're so mine

So kiss me with your heart

Touch me with your eyes
And love me with your soul
I'll never compromise
Hodling your hand
Curing your pain
I'll give you love like a year, like a year of rainy days

So kiss me with your heart
Touch me with your eyes
And love me with your soul
Never compromise
Holding your hand
Curing your pain
I'll give you love like a year, like a year of rainy days
(Like a year of rainy days)
Like rainy days
(Like a year, like a year of rainy days)
Like a rainy day

I'll make you up
And then I'll dress you down
