Somewhere over the rainbow, way up high
and the dreams that you dream of once in a lullaby

Somewhere over the Rainbow, blue birds fly
and the dreams that you dream of,
dreams really do come true

ohhhh...

Someday I'll wish upon a star
wake up where the clouds are, far behind me
where troubles melt like lemon drops
high above the chimney tops
that's where you'll find me

Somewhere over the rainbow, blue birds fly
and the dreams that you dare to, why oh why can't I

oh, one day i'll wish upon a star
wake up where the clouds are, far behind me
where troubles melt like lemon drops
high above the chimney tops
where you'll find me

oh somewhere over the rainbow, whoo...
blue birds fly and dreams that you dare to why oh why
can't I
