Someday

I watch from a distance your chest it rise and fall
And I catch you every time
under the covers and in my arms
But it's just a dream, it's all make believe 'cause we're
just friends
And friends thats all for now.
But it won't be long before you hear this song.

Someday- I'm gonna be your lover
Someday- oh you're gonna be all mine,
Someday- best friends forever,
Someday

When I think of this whole world and all that it should be
I close my eyes and all I see is you next to me.
But it's just a dream, it's all make believe 'cause we're
just friends
And friends thats all for now.
But it won't be long before you hear this song.

Someday- I'm gonna be your lover
Someday- oh you're gonna be all mine,
Someday- best friends forever,
Someday

Well I wrote this song for a girl who has my heart.
And I know she's for me....

Someday yeah
Someday yeah

Oh

I'll make amends forever
Tonight I won't leave you, it's this, together

Hand & hand
And on and on
Mouth to mouth baby
All night long

All night
Long, long, long, long, long, long
Someday
