Something's been creeping into my head
Turnin' my thoughts into a dizzy mess
Something's been messin' up my bed
Stealin' my dreams and now I'm gettin' no rest
And I knew you were gone, guess, I must be wrong

You got me walkin' backwards
You got me thinkin' sideways
You got me talkin' circles
You've got me losin' my way
You got me crossin' every line
You've got me just in time

Something's been hidin' in my heart
Twisting my soul, pullin' me apart
It must be you 'cause no one else can do this

You got me walkin' backwards
You got me thinkin' sideways
You got me talkin' circles
You've got me losin' my way
You got me crossin' every line
Well, you've got me just in time

'Cause you got me just in

You got me walkin' backwards
You got me thinkin' sideways
You got me talkin' circles
You've got me losin' my way

You got me walkin' backwards
You got me thinkin' sideways
You got me talkin' circles
You've got me losin' my way
You got me crossin' every line
You've got me just in time
Just in time, just in time
