Hey girl, can you show me,
Why it's you and only you,
that can control me,
Girl I want, you to hold me,
cause I dont want no other
ladies that dont know me

And you, you you, you
know I'm lovin your style lovin,
my flow, If you're feelin down low,
countin 1. 2. 3. I can be there when you
need me in a hurry,

Yeah, I like to be everything you are,
Hey girl , lemme talk to ya,

If i was your Boyfriend, I'd never let you go,
Keep you on my Arm Girl you'll never be alone,
And I can be a Gentleman, anything you want,

If i was, your boyfriend, I'd never let you go,
(never let you go)

Tell me if you like me tell me what you think,
what you think, No no, don't deny me cause, you're
my missing link, Everytime you walk by I get so weak
cause you look so fly and you smell so sweet baby,

Bestfriend Bestfriend Baby you're my Bestfriend if
you are my girlfriend we can stop the world and make
it freeze,

Now it's just you and me like,
I'm caught up in your gravity,

I like to be everything you are,
Hey girl , lemme talk to ya,

If i was your Boyfriend, I'd never let you go,
Keep you on my Arm Girl you'll never be alone,
And I can be a Gentleman, anything you want,

If i was, your boyfriend, I'd never let you go,

(never let you go)

So give me a chance cause you're all I need Girl,
Spend a week with your boy,
I'll be callin you my girlfriend,

If I was your man I'd never leave you girl,
I just want to love and treat you,

If i was your Boyfriend, I'd never let you go,
Keep you on my Arm Girl you'll never be alone,
And I can be a Gentleman, anything you want,

If i was, your boyfriend, I'd never let you go,
(never let you go)

Na na na, Na na na, Na na na, Na na na, Na na na, Na
na na, So won't you be my Girlfriend,
Na na na, Na na na, Na na na, Na na na, Na na na, Na
na na, If i was your Boyfriend
