I had a way then losing it all on my own  
I had a heart then but the queen has been overthrown  
And Iâ€™m not sleeping now the dark is too hard to beat  
And Iâ€™m not keeping now the strength I need to push  
me

You show the lights that stop me turn to stone  
You shine It when Iâ€™m alone  
And so I tell myself that Iâ€™ll be strong  
And dreaming when theyâ€™re gone

â€™Cause theyâ€™re calling, calling, calling me home  
Calling, calling, calling home  
You show the lights that stop me turn to stone  
You shine It when Iâ€™m alone

Home

Noises, I play within my head  
Touch my own skin and hope that Iâ€™m still breathing  
And I think back to when my brother and my sister slept  
In an unlocked place the only time I feel safe

You show the lights that stop me turn to stone  
You shine it when Iâ€™m alone  
And so I tell myself that Iâ€™ll be strong  
And dreaming when theyâ€™re gone

â€™Cause theyâ€™re calling, calling, calling me home  
Calling, calling, calling home  
You show the lights that stop me turn to stone  
You shine it when Iâ€™m alone

Home

Yeah, hee

Light, lights, lights, lights  
Light, lights, lights, lights  
Light, lights, lights, lights  
Light, lights

You show the lights that stop me turn to stone  
You shine it when Iâ€™m alone  
And so I tell myself that Iâ€™ll be strong  
And dreaming when theyâ€™re gone

â€˜Cause theyâ€™re calling, calling, calling me home  
Calling, calling, calling home  
You show the lights that stop me turn to stone  
You shine it when Iâ€™m alone

Home, home  
Light, lights, lights, lights  
Light, lights, lights, lights

Home, home  
Light, lights, lights, lights  
Light, lights, lights, lights

Home, home  
Light, lights, lights, lights  
Light, lights, lights, lights

Home, home  
Light, lights, lights, lights  
Light, lights, lights, lights
