Your hands fits in mine like it's made just for me
but bear this in mind it was meant to be
and I'm joining up the dots with the freckles on your
cheeks
and it all makes sense to me.

I know you've never loved the crinkles by your eyes
when you smile you've never loved
your stomach or your thighs
the dimples in your back at the bottom of your spine.
But I'll love them endlessly.

Chorus:

I won't let these little things slip out of my mouth
But if I do, it's you
oh, it's you, they add up to
I'm in love with you,
and all these little things.

You can't go to bed, without a cup of tea
and maybe that's the reason that you talk, in your sleep
and all those conversations are the secrets that I keep
though it makes no sense to me.

I know you've never loved the sound of your voice on
tape
you never want to know how much you weigh
you still have to squeeze into your jeans
but, you're perfect to me

Chorus:

I won't let these little things slip out of my mouth
but if it's true, it's you,
It's you, they add up to
I'm so in love with you,
and all these little things

You'll never love yourself half as much as I love you, oh
You'll never treat yourself right, darling but I want you
to,
Ohh, if I let you know, I'm here for you, for you

Maybe you'll love yourself, like I, I love you oh

And I've just let these little things slip, out of my mouth,
'cause it's you, it's you, it's you, they add up to
and I'm in love with you..

I won't let these little things slip, out of my mouth,
But if it's true, it's you, it's you, they add up to,
I'm so in love with you,
And all your little things.
