('Cause you're the expropriation of this precious song)
(Precious song)
(And I just wanna see your face up like you'd put me
down)
(So now I say goodbye to the all, means already gone)
(And I can't wait, wait, wait to get you home)

(Just to let you know)

Aren't you something to admire
'Cause your shine is something like a mirror
And I can't help, but notice your reflect in this heart of
mine
If you ever feel alone and the glare make me hard to
find
Just know that I'm always peering out on the other side

'Cause with your hand in my hand and a pocket full of
soap
I can tell you there's no place we couldn't go
Just put your hand on the glass, I'm here trying to pull
you through
You just gotta be strong

'Cause I don't wanna lose you now
I'm looking right at the other half of me
The biggest sin see in my heart
There's a space, but now you are home
Show me how to fight for now
And I'll tell you baby it was easy
Coming back into you once o figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it is clear as this promise
That we're making two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

Aren't you something an original, 'cause it doesn't
seem really to samble
And I can't help but stare 'cause I see truth somewhere
in your eyes
I can't ever change without you, you reflect me
I love that about you and if I could, I would look at us all
the time

'Cause with your hand in my hand and a pocket full of
soap
I can tell you there's no place we couldn't go
Just put your hand on the glass, I'm here trying to pull
you through
You just gotta be strong

'Cause I don't wanna lose you now
I'm looking right at the other half of me
The biggest sin see in my heart
There's a space, but now you are home
Show me how to fight for now
And I'll tell you baby it was easy
Coming back into you once o figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it is clear as this promise
That we're making two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me.
