feat. Megan Nicole  
[Jason Chen]  
I've tried playing it cool  
Girl when I'm looking at you  
I can never be brave  
Cause you make my heart race

[Megan Nicole]  
Shot me out of the sky  
You're my kryptonite  
You keep me making me weak  
Yeah, frozen and can't breathe

[Jason Chen]  
Something's gotta give now  
Cus I'm dying just to make you see  
That I need you here with me now  
Cause you've got that one thing

[Megan Nicole]  
So get out, get out, get out of my head  
And fall into my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing

Now I'm climbing the walls  
But you don't notice at all  
That I'm going out of my mind  
All day and all night

Something's gotta give now  
Cause I'm dying just to know your name  
And I need you here with me now  
Cause you've got that one thing

[Megan Nicole]  
So get out, get out, get out of my head  
And fall into my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing

And you've got that one thing

So get out, get out, get out of my mind  
And come on, come into my life  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing

You've got that one thing

Get out, get out, get out of my head  
And fall into my arms instead

So get out, get out, get out of my head  
And fall into my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing

Get out, get out, get out of my mind  
And come on, come into my life  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing.
