I'm at a payphone trying to call home all of my change are spent on you, where are the times gone baby it's all wrong where are the plans we made for two, yeah ah, I know it's hard to remember the people we used to be, it's even harder to picture you're not here next to me, you say it's too late to make it but is it too late to try, and in our time that you wasted all of our bridges went down up wasted my nights you turned out the lights now I'm paralyzed still stuck in the time when we call in love but even the sun sets in paradise I'm at a payphone trying to call home all of my change are spent on you, where are the times gone baby it's all wrong where are the plans we made for two, if happy ever after did exist I would be still holding you like this, all those fairytales just can't exist, one more stupid love song I'll be sick, you turned your back on tomorrow 'cuz you forgot yesterday I gave you my love to borrow but you just gave it away, you can't expect me to be fine I don't expect you to care I know I said it before but all of our bridges went down up wasted my nights you turned out the lights now I'm paralyzed still stuck in the time when we call in love but even the sun sets in paradise I'm at a payphone trying to call home all of my change are spent on you, where are the times gone baby it's all wrong where are the plans we made for two, , if happy ever after did exist I would be still holding you like this, all those fairytales just can't exist, one more stupid love song I'll be sick now I'm at a payphone
