My heart's a stereo
It beats for you so listen close
Hear my thoughts in every note, oh! oh!
Make me your radio
Turn me up when you feel low
This melody was meant for you
So sing along to my stereo

Tell me girl
Oh why you make me feel this way
Just let me know
Or if you just can find the words to say
Then I'll play it aloud for you
Sing to the crowd for you
Cause when you play, my heart oh girl, it moves to your
beat

Listen up, I'll make you feel alright (oooh girl)
I'm gonna set you free tonight
So let it all go, believe me when I say

My heart's a stereo
It beats for you so listen close
Hear my thoughts in every note, oh! oh!
Make me your radio
Turn me up when you feel low
This melody was meant for you
So sing along to my stereo

Oh! oh! oh! oh! oh! oh!
Oh! oh! oh! just sing along to my stereo

Oh girl you know, I won't find nobody like you
Nobody else makes my heart sing like you do
Unless cranking up louder, you're lost in the sound
Baby, my stereo is broken but you make me complete,
yeah

No lying, all you heard it right (oh girl)
I'm gonna set you free tonight
So you can let it all go and just get lost in my stereo

My heart's a stereo
It beats for you so listen close
Hear my thoughts in every note, oh! oh!
Make me your radio
Turn me up when you feel low
This melody was meant for you
So sing along to my stereo

Oh! oh! oh! oh! oh! oh!
Oh! oh! oh! just sing along to my stereo

If you're gone, there's nothing else I could do
I need you here to make this duet for two
And my heart's getting faster, the beat's getting louder
So let it all go and just get lost in my stereo

My heart's a stereo
It beats for you so listen close
Hear my thoughts in every note, oh! oh!
Make me your radio
Turn me up when you feel low
This melody was meant for you
So sing along to my stereo
