### "Calling My Angel"

Visit "[Calling My Angel](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Found myself in a dark room all day  
(All day, all day, all day)  
Hoping the silence  
Would take this pain away  
(Away, away)  
Cos no one else is here  
To wipe my tears  
When they fall (oh no)  
And no one hears me screaming,  
But these four walls

So I'm calling out your name  
Hoping you'd hear me (hear me)  
Got both hands on my heart  
Hoping you'd feel me (feel me)  
Cos baby I feel you when I close my eyes  
Calling out for you, I can't sleep at night

Can someone help me find my angel  
Cos every breath I take without, is painful  
Please someone, help me find my angel  
Cos I know she's hear me calling  
Hear me calling, calling, calling for my angel  
Calling for my angel, I'm calling for my angel  
Wherever I'll be,  
Calling, calling, calling for my angel  
Calling for my angel, I'm calling for my angel

Now, who's gonna pick me up  
Now that I fell right down (down)  
You left with a part of me  
The air is thinning,  
It's getting so hard to breathe  
(Breathe, breathe)  
Breathe,  
Try to take the pain away with this pen  
But I just keep writing your name over again  
No one can take your place (no)  
Life without you is impossible

So I'm calling out your name

Hoping you'd hear me (hear me)  
Got both hands on my heart  
Hoping you'd feel me (feel me)  
Cos baby I feel you when I close my eyes  
Calling out for you, cos I need you in my life

Can someone help me find my angel  
Cos every breath I take without, is painful  
Please someone, help me find my angel  
Cos I know she's hear me calling  
Hear me calling, calling, calling for my angel  
Calling for my angel, I'm calling for my angel  
Wherever I'll be,  
Calling, calling, calling for my angel  
Calling for my angel, I'm calling for my angel

Yeah hmmm  
Just put your hands in the air  
If you're missing somebody  
Come home  
Cos I can't handle this alone

Can someone help me find my angel  
Cos every breath I take without, is painful  
(Baby, baby come home)  
Please someone, help me find my angel  
(I know you hear me)  
Cos I know she's hear me calling (ooh)  
Hear me calling, calling, calling for my angel  
Calling for my angel, I'm calling for my angel  
Got me singing ooh,  
Calling, calling, calling for my angel  
Calling for my angel, I'm calling for my angel
