I keep falling
I keep falling in love all over again
Cause she's got me
She's got me open like a book
And I don't wanna be singing like
Ay oh oh
Ay ay ay ay oh oh

She still got me singing like
Ay oh oh
Ay ay ay ay oh oh
She still got me singing

I'm tryna keep myself from falling in
Though I know cupid thinks that he's gon' win
Cause the days are made
And my mind is saying goodbye

Stay anyway
I can't take that look in here eys
What would I do if I left her
Could I take another breath uh
Wouldn't life even be better
Can I just get away
All these questions I'm asking
When I should be packing
I'm in then I'm out I'm back in

Cause she's got a hold on me

I keep falling
I keep falling in love all over again
Cause she's got me
She's got me open like a book
And I don't wanna be singing like
Ay oh oh
Ay ay ay ay oh oh

She still got me singing like
Ay oh oh
Ay ay ay ay oh oh

She still got me singing
