(Yeah)  
(Ah ah ah ah ah)  
I still hear your soft whisper in my ear. In my ear (yeah)  
And when sometimes I close my eyes  
You appear, you appear  
I can still smell  
The scent of your perfume in my room  
And when I'm cookin' dinner  
I still set the table for two  
I can still feel the warmth of ya body under me right  
now  
I bet cha think It's crazy  
I bet I got cha wonderin' how

In my mind you're still here  
I still feel you here  
No you never left my side  
My heart says you're here  
And I believe that you're here  
No I don't have to say goodbye

In my imagination, in my imagination  
In my imagi-magi-nation  
In my imagination  
My bad memory need replacin'  
In my imagi-magi-nation

There's still moisture on the pillows  
When we cried. Oh when we cried (yeah)  
Now I wake up every mornin'  
'Pologise, apologise (mmhmm)  
Mama always said  
Better late than never  
It makes me feel better when I talk to you (ah haa)  
I can still taste  
The sweetness from lips right now (right now)  
I bet cha think it's crazy  
I bet I got you wonderin' ho-o-o-ow

In my mind you're still here I still feel you here  
No you never left my side

My heart says you're here  
And I believe that you're here  
Don't have to say goodbye

In my imagination, in my imagination  
In my imagi-magi-nation  
In my imagination  
My bad memory needs replacin'  
In my imagi-imagi-nation

Thought I heard you call out my name today  
It was the most beautiful melody I've heard in a long  
time (time)  
Imagination runnin' wild (it's all in my mind)  
I know you weren't there (now)  
But I answered anywa-a-a-ay (ha ha ha ha ha ha-a-a-a-  
a)  
Call me crazy. So? I don't care  
Couldn't breathe when I didn't have you near (oh no! )  
I need the love that we shared so I imagine you here  
Look me in my eyes  
Tell me it's OK  
I'm just glad that you are here babe

(Woahh)  
In my mind you're still here, I still feel you here  
No you never left my side  
My heart says you're here (oh nooo)  
And I believe that you're here  
No you don't have to say goodbye-e-e-e-e-e

In my imagination, (woah woah woah) in my  
imagination  
In my imagi-magi-nation  
In my imagination  
(In my imagination)  
(You can live here in my ma-ma-mind)  
My bad memory needs replacin'  
In my imagi-imagi-nation
