Yeah, you make me  
You make me, ooh,  
Yeah yeah,

I really lost it in my mind,  
Tryna figure out a way,  
To make you understand,  
I can't go on another day,  
Baby I was wrong,  
Maybe confused and let astray,  
Please gimme one more chance,  
Coz I can't take what's happening,

Have you ever lost someone,  
Tryna take it back but the damage is done,  
Thought of loosing you makes me feel so sad,  
How am I gonna sleep when it feel this bad,

I know enough's enough,  
It's goin' to be tough to get through this,  
I'll never be perfect,  
I'll never be cool,  
I'll always be nothin' unless I'm with you,  
Coz you make me perfect,  
Tell me what can I do,  
The pieces are missing,  
When I'm not with you,

(You make me, ) ooh  
You make me, ooh  
(You make me, ) ooh  
You make me, ooh  
(You make me, ) ooh  
Ohh, ooh, ooh
