"Rest Of My Life"

I am not looking for a fairy tale
Don't need a queen for tonight
I am not addicted to the fiction of the perfect life
But I confess I am ready for the one who last
I wanna look into the crowd and see your face
That's a little too much to ask but I could care less now
Ain't got no stress no future pain
You probably don't know my name
I am pretty sure that we both been through
One day you are gonna hear me say
Watch out for the money
I am so dirty
I never been so lucky I know
Instead I came first here
And. tonight
Is it ok if I stay here
For the rest of my life
