Got it goin onnn  
Baby there's no room for faking faking faking nooooo  
Whatcha waiting fooooooor  
Every rule was made for breaking breaking breakingg  
soooo  
Fuck it, I do if I love it, I tell me how to suck, I'm bout to  
bring the ruckus for show  
Play it, don't be afraid to say it, we all just misbehaving,  
so baby lets get naked and goo  
SKINNY DIPPIN'

Lose ur mind and find that I'm not trippin'  
Risk it all to live the life I'm livin'  
Follow me and we'll lose our clothes and slip in,  
We skinny dippin'  
Now jump, ohhh ohhh ohhh ohhh ohhhhhhhhhh  
Anything I get, off off off off offffffff  
Start your life and jst take off off off off offffffff  
Turn your key inside your own ignition,  
We, SKINNY DIPPIN'

Yeaaaaaah  
Energyyyyyyyyyyy  
Shooting through my veins like heroi heroi heroi heroin-  
side  
The very heart of meee  
Fire in my blood like, kero kero kerosine  
Soooo, fuck it I do it if I love it I tell em how to suck it I'm  
bout to bring the ruckus for show, play it, don't be  
afraid to say it we all just misbehaving, so baby lets get  
nakes and goo  
SKINNY DIPPIN'

Lose ur mind and find that I'm not trippin'  
Risk it all to live the life I'm livin'  
Follow me and we'll lose our clothes and slip in,  
We skinny dippin'

Now jump, ohhh ohhh ohhh ohhh ohhhhhhhhhh  
Anything I get, off off off off offffffff  
Start your life and jst take off off off off offffffff

Turn your key inside your own ignition,  
We, SKINNY DIPPIN'

Shut shut shut? base to the choir  
If they try to put us down we keep getting higher  
Raise our self and put heat to the firee, doing jst what  
we desire  
Living our life on the wire,  
Skinny dippin';  
I'm not trippin';  
Life I'm liven';  
Skinny dippin';  
I'm not trippin';  
Turn the key in your ignition;

Lose ur mind and find that I'm not trippin'  
Risk it all to live the life I'm livin'  
Follow me and we'll lose our clothes and slip in,  
We skinny dippin'  
Now jump, ohhh ohhh ohhh ohhh ohhhhhhhhhh  
Anything I get, off off off off offffffffffffff  
Start your life and jst take off off off off offfffffffff  
Turn your key inside your own ignition,  
We, SKINNY DIPPIN'
