Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh
Undefeated

Wish I knew then what I know now
But, I, I change the past no matter how I try, I
So I'mma get up and dance, you know
Cause this might be my last chance
Like there's nobody around
Even gravity can't keep me down

Everybody, get it started
I'm on top of the world, what a feeling
I'm undefeated, undefeated, yeah
No one told me what I could be
Now I'm walking on air, what a feeling
I'm undefeated, undefeated, tonight
Undefeated

No looking back, can't live that way
Right now I, yesterday's gone, I found my way,
somehow-ow
So I'mma get up and dance
Cause this might be my last chance
Like there's nobody around, even gravity can't keep me
down

Everybody, get it started
I'm on top of the world what a feeling
I'm undefeated, undefeated, yeah
No one told me what I could be
Now I'm walking on air, what a feeling
I'm undefeated, undefeated, tonight

So I live today like it's my last one
There's no time for fear you only live once
Everybody, get it started
I'm on top of the world, what a feeling
Everybody say Ohhhh, please believe that I'm
undefeated

No one told me, what I could be
Now I'm walking on air, what a feeling
I'm undefeated, undefeated, tonight
Undefeated, tonight.
