Wha- wha- wha- wha- what did she say
Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say,
Mmmm that it's all for the best?
Of course it is

[Verse 1]

I was so wrong for so long
Only tryin' to please myself (myself)
Girl, I was caught up in her lust
When I don't really want no one else
So, no I know I should have treated you better
But me and you were meant to last forever

[Hook]

So let me in (let me in) give me another chance
(another chance)
To really be your man
Cause when the roof caved in and the truth came out
I just didn't know what to do
But when I become a star we'll be living so large
I'll do anything for you
So tell me girl

[Chorus]

Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say, (whatcha say)
Mmmm that it's all for the best?
Of course it is
Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say, (whatcha say)
Wha- wha- wha- wha- what did she say

[Verse 2]

How, could I live with myself

Knowing that I let our love go (love go)
And ooh, when I do with one chance
I just gotta let you know
I know what I did wasn't clever
But me and you we're meant to be together

[Hook]

So let me in (let me in) give me another chance
(another chance)
To really be your man
Cause when the roof caved in and the truth came out
I just didn't know what to do
But when I become a star we'll be living so large
I'll do anything for you
So tell me girl

[Chorus]

Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say, (whatcha say, whatcha say)
Mmmm that it's all for the best?
Of course it is
Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say, (whatcha say, whatcha say)
Wha- wha- wha- wha- what did she say

[Verse 3]

Girl, tell me whatcha said (said)
I don't want you to leave me
Though you caught me cheatin'
Tell me, tell me whatcha said (said)
I really need you in my life
Cuz things ain't right, girl
Tell me, tell me whatcha said (said)
I don't want you to leave me
Though you caught me cheatin'
Tell me, tell me whatcha said (said)
I really need you in my life
Cuz things ain't right

[Hook]

Cause when the roof caved in and the truth came out
I just didn't know what to do
But when I become a star we'll be living so large
I'll do anything for you
So baby watcha say!

[Chorus]

Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say, (whatcha say, whatcha say)
Mmmm that it's all for the best?
Of course it is
Mmmm whatcha say,
Mmm that you only meant well?
Well of course you did
Mmmm whatcha say, (whatcha say, whatcha say)
Wha- wha- wha- wha- what did she say
