Jesus
You tell me right here is where
the rubber meets the road
I can give it up to you
I can't help this feeling
That I'm too far gone
Time after time I've seemed to
Let you down, but you say
Its not to late to turn around, No

Even after all things I've done
I can still here you say
I'm your precious one, OH
Even though sometimes
I don't know why
I realize, One day I'll
See in your eyes
there's no love lost

Forgive me
Is that too much to ask
After the pain that I've caused
Yea it should be plain to see by now
You gave your answer back there
On that cross
Still, Time after time I've seemed to
Let you down, but you say
Its not to late to turn around, No

Repeat Chorus x2
