I look the part
blend in with the rest of the church crowd
I know the routine
I could list all the bible studies in town
watch christian TV
I know all the preachers...their cliches
been born again, without a doubt I know I'm saved

Chorus

But sometimes I hurt and sometimes I cry
sometimes I can't get it right
no matter how hard I seem to try
sometimes I fall down
stumble over my own disguise
I try to look strong
as the whole world looks on
but sometimes alone I cry

I try to speak faith
never give the devil one inch to get in
I do worship and praise
let everybody know just where that I stand
on the back of my ride is a fish and a cross

for the world to see
I know God is good, all of the time
yes there's no doubt for me

Chorus

But sometimes I hurt and sometimes I cry
sometimes I can't get it right
no matter how hard I seem to try
sometimes I fall down
stumble over my own disguise
I try to look strong
as the whole world looks on
but sometimes alone I cry

Bridge

Sometimes I fall down
stumble over my own disguise
I try to look strong as the whole world looks on

but sometimes alone I cry
