So many times I've questioned certain circumstances
Things I could not understand
Many times in trials, weakness blurs my vision
Then my frustration gets so out of hand
It's then I am reminded I've never been forsaken
I've never had to stand the test alone
As I look at all the victories the spirit rises up in me
And it's through the fire my weakness is made strong

(chorus)

He never promised that the cross would not get heavy
And the hill would not be hard to climb
He never offered our victories without fighting
But he said help would always come in time
Just remember when you're standing in the valley of
decision
And the adversary says give in
Just hold on, our Lord will show up
And he will take you through the fire again

(bridge)

I know within myself that I would surely perish
But if I trust the hand of God, He'll shield the flames
again

(repeat chorus)
