Have You Ever Had ..
Footsteps Behind You Like A Shadow
Can't Tell If Your Mind Is Playing Tricks Or Not.
What I'm Going Through Is Now Knocking Brain
.. I Got Any Enemy
Where I've Been What I Did, What Did I Say
Hey, He, Ei!

Come To Think Of It
I Remember One
That I Was Messing With
Now I Was Looking At Again,
I'm At My Show
I Took Her
The Next Day I Had To Go
I Never Thought It Would

Chorus:
..Now I Got This Problem Following Me
Better Be Careful, Better Be Careful!
Better Be Careful!
Never What You Do
Next Time I Will Be Careful!

..Chasing You And That Was Meant To Be
Be The Death For Me,
It Gets Worst Now!
So Reaching Up To All My People Friends And Family
Got Me So Paranoid I'm Stepping Of Security
Is Getting Crazy Here, It' Difficult For Me To Sleep

Now All I'm Thinking Is

How Do I Get Out Of This
I've Been Some Kind Of Sick,
I'm Missing Some Crazy Shit
I Met Her At My Show,
I Think About
The Next Day I Had To Go
I Never Thought It Would

Chorus:

..Now I Got This Problem Following Me
Better Be Careful, Better Be Careful!
Better Be Careful!
â€;Never What You Doâ€;
Next Time I Will Be Careful!

This Got So Out Of Control
I Learned My Lesson â€;
Oh, Oh, Oh, Be Careful!
Stay Strong, â€;Don't Let Go
Stay.. At Peace With My Soul
Oh, Oh, Oh, Be Careful!

I'm At My Show
I Took Herâ€;
The Next Day I Had To Go
I Never Thought It Wouldâ€;

Chorus:
..Now I Got This Problem Following Me
Better Be Careful, Better Be Careful!
Better Be Careful!
â€;Never What You Doâ€;
Next Time I Will Be Careful!
