feat. MIMS (Radio-Edit)

I am digital MIMS
I'm the king of the web
I ain't no R&B singer but still I put you to bed
Show you how that super charge ride
Call that a hard drive
You get it?
A hard drive
And I'm passing them by like false side
I'm worldwide
Ya'll just want me to feel
Why?
100 foot docs
The world is mine
Coming soon (soon)
Til that time I bring youÂ...
