Electrifine

Youre so electrifine

Youre so electrifine

Electra

Yeah, yeah

Yeah, yeah

Its burning thru my veins

Electrified me but I love the pain

My wire is on fire babe

And I cool down if youre not close to me

Your touch is like a shockwave

And I'm addicted

Yeah opposites attract me

I love to visit, visit, visit

We in the dark cause my fuse is blown

My lights are off, off

Girl you turn me on

We makin love to the music

We takin it slow

Youre makin me lose it

Youre shockin my soul.

Baby youre perfect

Cant believe that your mine

Baby youve got it

Electrifine

Youre so electric [x3]

Oh-oh

Youre so electric [x3]

Ooooh babe

Tika tiki tik, tik tik boom

My curcuits blown can you come back to the room

Turn me on baby I'm waitin on you

To come come closer, examine this view.

That sexy energy

Keeps comin at a great velocity  
That sexy energy  
Has got me feelin like I never wanna leave

Your bodies so exotic  
I wanna tell the world about it  
Put the plug in the socket  
If your really about it bout it  
Were in the dark cause my fuse is blown  
My lights are off ,  
But girl you turn me on

We makin love to the music  
We takin it slow  
Youre makin me lose it  
Youre shockin my soul.  
Baby youre perfect  
Cant believe that your mine  
Baby youve got it  
Electrifine

Youre so electric [x3]  
Oh-oh  
Youre so electric [x3]  
Ooooh babe

Wont u electrify me baby  
Ooooooh yeah  
Wont you check my voltage baby  
Hey  
Oh yeah  
Oh yeah  
Oh yeah, ah

We makin love to the music  
We takin it slow [x2]
