ohhhh, woahh!  
\*beat break\*  
Not now, but right now  
It's time to lose it  
Do it till we break the floor  
It's getting so hot now  
To where you moving  
I swear my body's feeling for more  
Like o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
I, I want it all  
O-o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
This is the life  
Bring on the night  
Lets tear the stars out of the sky  
As I look around now, and hear the night  
There's only one thing on my mind  
I wanna fuck somebody  
I wanna fuck somebody  
Oh  
I wanna fuck somebody  
I wanna fuck somebody  
Oh  
Somebody like you  
Somebody like you  
(Jump) x10  
Somebody like you

Not now, but right now  
We getting higher  
You take my feet off the ground  
Yeah  
Baby you're so hot now, just like a fire  
The only one I see in the crowd  
Oh  
Like o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
I, I want it all

O-o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
O-o-o-o-o-o-oh  
This is the life  
Bring on the night  
Lets tear the stars out of the sky  
As I look around now, and hear the night  
There's only one thing on my mind  
I wanna fuck somebody  
I wanna fuck somebody, i do  
Oh  
i wanna fuck somebody  
i wanna fuck somebody  
oh  
Somebody like you  
Somebody like you  
oh yeah  
Jump x10  
Somebody like you
