Yeah uh, something like a motorbike, something like a motorbike

Shawty, check it, hey!

Ooh ooh ooh, ooh ooh uh...uh

Ooh ooh ooh, ooh oohhh

Lil mama look fresh of the lot so hot

Burning rubber like a motorbike ride wid me

So clean like d's on the drop top chop

Love ya body work shawty start it up for me

Lemme get dem keys sexy wide body

0 to 60 ur beating everybody Let me hear you rev it up  
gas to the flo'

Take over the role's baddest at the car show

If i gotta spend a night, staring at the custom paint you got

Straight up outta magazine on the block

Baby come to my shop, girl you safe around the way  
wid me

Just watch how fast shawty goes

Fresh of the lot when she rolls

Cars ain't red candy coz

She's so hot she's perfect for me

Coz she's fresh of the lot

Red candy car

Fresh of the lot

How fast she goes

Fresh of the lot

Keepin' it so new

She's so hot she's perfect for me

Coz she's fresh of the lot

Switch lanes, let the pipes bust flames

Change gears and recline the seats

Girl i love the way you handle, looking like a lamborghini

Bring it up together top speed

Hair blowing through the breeze

Top - down Maserati

Gran Turismo, know this so you got it

Hit the switch and lift it up  
high as you can go  
Shut the butterfly doors, park up and jus' pose  
If i gotta spend a night, staring at the custom paint you  
got  
Straight up outta magazine on the block  
Baby come to my shop, girl you safe around the way  
wid me  
Just watch how fast shawty goes  
Fresh of the lot when she rolls  
Cars ain't red candy coz  
She's so hot she's perfect for me

Coz she's fresh of the lot  
Red candy car  
Fresh of the lot  
How fast she goes  
Fresh of the lot  
Keepin' it so new  
She's so hot she's perfect for me  
Coz she's fresh of the lot

If i gotta spend a night, staring at the custom paint you  
got  
Straight up outta magazine on the block  
Baby come to my shop, girl you safe around the way  
wid me  
Just watch how fast shawty goes  
Fresh of the lot when she rolls  
Cars ain't red candy coz  
She's so hot she's perfect for me

Coz she's fresh of the lot  
Fresh of the lot  
Fresh of the lot  
She's so hot she's perfect for me  
Coz she's fresh of the lot
