[Intro:]

This goes out to all the ladies out there,  
Wooaahh  
And ohhhh  
Ohh-ohh-ohhh-ohh

[Verse 1:]

I turn around looking straight in the mirror and  
Even without her  
I don't know how I got to this moment and It's nothin I  
deserve  
Not the same since the day I met you  
And now that it's in the past I can't believe all I did was  
just let you in  
You've shown me what I need

[Chorus:]

I'm only human, it wouldn't be enough I never would  
have got this far  
I'm only human, and I know that you, have opened up  
my he-aa-rt.  
How I live what I say and I do,  
Never really cared but now I'm telling you  
To know my life, could see that second star  
Cause I'm only human

Yea yea

[Verse 2:]

I know I need to say how I feel and now for what it's  
worth (what it's worth)  
I am here for sure, id rather be yours and well I'm fine  
even though it don't work not the same since the day I  
met you.  
And now that it's in the past I can't believe all I did was  
let you in  
You've shown me what I need

[Chorus]

[Hook:]

If I don't then tell me why

Livin out everything that I feel inside, what's it worth if  
we don't try  
Still I need your love, and now the way I fell about you  
And with your love your in my life, I can tell that you'll  
give it one last try. woah woah woah yeaahhh and ohh  
and ohhh ohhh ohhh

[Chorus:]

Didn't know my life could see the second star  
Didn't know I could be here where you are  
Cause I'm only human  
I'm only hu-uman  
Humaannn  
And oh oh oh ohh  
And oh
