That girl is just so fresh
(yeah)
The way she look in her tight jeans and t-shirt
You know that I'm gone flirt
Cause shawty is a 10
(yeah)
And she don't even know it
(know it)

I really wanna get with her
I got a thing for her
I got a thing for her
I got a thing for her(yeah)
I got a thing for her
I got a thing for her
And she don't even know it
(know it)
But I gotta meet her cause
I got a thing for her

That girl is just so fresh (yeah)
The way she look in her tight jeans and t-shirt (shirt)
You know that I'm gone flirt(flirt)
cause shawty is a 10(yeah)
And she don't even know it(know it)
I really wanna get with her

I got a thing for her
I got a thing for her
I got a thing for her(yeah)
I got a thing for her
I got a thing for her
And she don't even know it(know it)
But I gotta meet her cause
I got a thing for her

That girl is just so fresh, (yeah)
The way she look in her tight jeans and t-shirt(shirt)
You know that I'm gone flirt (flirt)
Cause shawty is a 10(yeah)
And she don't even know it(know it)
I really wanna get with her

I got a thing for her
I got a thing for her
I got a thing for her(yeah)
I got a thing for her
I got a thing for her
And she don't even know it(know it)
But I gotta meet her cause
I got a thing for her.
