Lookin like a superstar,
She gettin it on the floor like what.
So many people around her,
Some stop just to look at her.
And I like a girl who can get attention without doin too
much.
You got mine and girl you know you ain't gotta be
doin too much.

You're just doin you, ain't tryna impress nobody.
But you got half this room tryna get inside your body.
So heres what I'm a do,
I'm a pull up next to you.
And show you what a real man like me can do.

I think I'm falling in love tonight,
I like the way I like the way I like the way you move
(repeat)
So heres what I'm a do, I'm a pull up next to you.
And show you what a real man like me can do.
Don't need to hesitate, you got me anyway.
Girl we can leave right now and you know itll be okay.

You and I can take it far,
Don't need to tell nobody where we are.
Get away to better places,
Find a way out of these mazes.
I can make you famous,
Girl you can be an overnight celebrity.
Have the paparazzi searching high and low just to get
to you and me.

So what you wanna do,
Baby the night is ours.
You know I'm feelin you,
And I can be all yours.
So heres what we gon do.

We gon ride up to the moon.
And I'm a make sure no one can get to you.

I think I'm falling in love tonight,

I like the way I like the way I like the way you move
(repeat)
So heres what IÂ'm a do, IÂ'm a pull up next to you.
And show you what a real man like me can do
