You've been keeping me up for so long,  
I'm writing you this letter for when you get home,  
You're the love of my life,  
But I cant get it right  
Ohhh...

I tried to tell you once but I stopped myself,  
Girl i did you wrong and i need some help,  
I don't know what to do,  
Cus im still in love with you.

Soo ooo girl im leaving,  
Wont be back today since you deserve better,  
Girl I'm going away.

Girl I'm leaving,  
Since its me not you,  
I know what I have to dooo

Imma be gonee....  
Imma be gonee....  
Imma be gonee....  
Imma be gonee....
