Pre Chorus:

See our past isn't changing/and the last thing I do  
is erase it/I'll start with girl your amazing/and I'll  
do anything just to say it again/

Verse 1:

Without you I don't even know what to do/Our first  
kiss was magical so so true/You left me without saying  
goodbye/I'm drowning in my tears as I cry/Without ya  
babe I feel incomplete/I want you in my life your so  
damn sweet/Want you apart of my life forever and  
always/I'll  
travel the world for ya ill start with Norway/So Where  
do we go from here?/Do you really want me to  
disappear?/You  
don't text me back when I try and talk/Is it time we  
go our separate ways and walk/I swear Your love was  
so damn true/I was proud to call you my baby boo/Why  
did everything had to go all wrong/Your impossible  
to keep so I wrote this song

Chorus:

Tonight, tonight, tonight,  
/Tonight, tonight, tonight,  
/Your impossible to reach/impossible to keep/It's  
impossible  
to start when I started to believe/Your impossible  
to live without/Your impossible that's why I'm still  
around

Verse 2:

Girl why can't you see that i need you here/cause i  
soaked everything that i own in my home in tears/so  
please try hard to forgiving me/we've gone too far  
to forget it won't be the last time/won't be the last  
time/won't be the last time.

Chorus:

Tonight, tonight, tonight,  
/Tonight, tonight, tonight,

/Your impossible to reach/impossible to keep/It's  
impossible  
to start when I started to believe/Your impossible  
to live without/Your impossible that's why I'm still  
around
