I just wanna  
I just wanna watch you baby  
Yeah  
Hmm

It's been a long day at work  
Just wanna lay back  
And watch you go to work  
On me

Oh! Love it when you  
Strip for me baby  
Wanna watch you move

Oh! You can go slow  
Lights, camera, action shawty  
It's your song

Lights, camera, action  
Start that acting  
Lights, camera, action  
The things that you do  
When the lights are on you

The baddest on stage  
Girl I'm so amazed  
The way that you work it  
Girl you're driving me crazy

Light are hot  
And you're starting to sweat

But you end up on top  
When it's quiet on set

Oh! Love it when you  
Sing to me baby  
Just moan when you're through

Ey! I've been waiting all day  
When you need a close-up  
I'm your

Lights, camera, action  
Start that acting  
Lights, camera, action  
The things that you do  
When the lights are on you

Lights, camera, action  
Start that acting baby  
Lights, camera, action  
It's your big break  
Baby let's play my actions

Lights, camera, action  
Start that acting  
Lights, camera, action  
The things that you do  
When the lights are on you
