I keep (keep keep)
Fallin (lin lin)
I keep fallin in love all over again (again again)
Cause he's (he's he's) got me,
He's got me locked here like a crook and I don't wanna
be singing like

Tryna free myself from loving again,
But cupid has me captive, stuck here with him.
Today I made my mind, I said goodby-e
Stay anyway.
Can't take that look in his eye

Where would I go if I left here?
Though I've had enough of these tears, life without him
is unclear
Can I just get away?
All these questions I'm asking
When I should be packing
I'm in, then I'm out, then back in, cause he's got a hold
on me

I keep (keep keep)
Fallin (lin lin)
I keep fallin in love all over again (again again)
Cause he's (he's he's) got me,
He's got me locked here like a crook and I don't wanna
be singing like

Ayo, aaaay
Trapped here like a prisoner, I'm locked in lo-ve
Ayo, aaaay
Take these shackles off me cause I'm locked in lo-ve
Love, love, lo-ve, love, love
I'm locked in love
Love, love, lo-ve
I'm locked in love

How did my heart get locked in this cage
With a life sentence
Is this what they call fate?
Cause if it is,

I don't really want it.
Happiness was all I ever wanted

I'm moving on, making my mind
I'm gonna leave him this time
He barricades me with his lies.
Why can't I get away?
Over and over I stay
Suppose he is my soul mate;
I feel like I'm his enemy,
Stuck for eternity.

I keep (keep keep)
Fallin (lin lin)
I keep fallin in love all over again (again again)
Cause he's (he's he's) got me,
He's got me locked here like a crook and I don't wanna
be singng like

Ayo, aaaay
Trapped here like a prisoner, I'm locked in lo-ve
Ayo, aaaay
Take these shackles off me cause I'm locked in lo-ve

Love, love, lo-ve, love, love
I'm locked in love
Love, love, lo-ve
I'm locked in love
