I met her at a bar  
The look she gave said I wouldn't get far  
But that will never stop me  
I like the challenge so I decided to proceed

[Bridge]

One drink turns into two drinks  
Three drinks turns into dancin' (dancin')  
And pretty soon her body was all upon me  
Then I woke up I saw her layin' next to me

[Chorus]

It was just a fling  
But I really don't regret anything  
'Cause it was crazy babe  
And by the looks of it you felt the same

And all I remember is me sayin'  
If you turn me then you can't breathe  
Now I'm smilin'  
And I'm barely sober

I'm caught in a love hangover (hey)  
Love hangover (2x)

Don't you worry it's fine  
So this will be our little dirty secret for life  
'Cause your man'a lose his mind  
If he ever found out last night that

[Bridge]

One drink turns into two drinks  
Three drinks turns into dancin' (dancin')  
And pretty soon her body was all upon me  
Then I woke up I saw her layin' next to me

[Chorus]

It was just a fling  
But I really don't regret anything  
'Cause it was crazy babe  
And by the looks I picture feel the same

And all I remember is me sayin'  
If you turn me then you can't breathe  
Now I'm smilin'  
And I'm barely sober

I'm caught in a love hangover

[Hook]

Now I didn't know (I didn't know)  
How far did it go oh oh  
But I said I would have her (But I said would have her)  
Now it's the mornin' after

[Chorus]

It was just a fling  
But I really don't regret anything  
'Cause it was crazy babe  
And by the looks of it you felt the same

And all I remember is me sayin'  
If you turn me then you can't breathe  
Now I'm smilin'  
And I'm barely sober

I'm caught in a love hangover  
I'm caught in (love hangover) (3x)  
Love hangover
