I'm not looking for a fairytale  
Don't need a queen for the night  
I'm not addicted to the fiction, of the picture perfect life  
But I confess I'm ready, I found the one at last  
And if your heart don't skip when you're next to me,  
you can be the best I never had

I wanna look out in the crowd and see your face shining  
out  
That's a little too much to ask but I could, I could care  
less right now  
Ain't gonna stress no future pain  
You probably don't even know my name  
But I'm pretty sure that we both been through it  
And one day soon you're gonna hear me say

Chorus:

You're one for the money  
And I'm two for the show, you never looked so pretty  
I've never been so lucky, I know  
Is it okay if I stay here, and fall in love tonight?  
Is it okay if I stay here, for the rest of my life?

I know this all sounds crazy, but what the hell why not  
If you come a little closer, I'll give you all that I've got  
I know we just met baby, it's you and I against the world  
If you let me lay here, as if you were my girl

Chorus:

You're one for the money  
And I'm two for the show, you never looked so pretty  
I've never been so lucky, I know  
Is it okay if I stay here, and fall in love tonight  
Is it okay if I stay here, for the rest of my life

This is not a one night stand  
I would be a fool not to love you again  
I just thought I'd let you know, you're exactly what I've  
been waiting for  
I could make you feel alive, let me be your fantasy  
tonight  
All you gotta do is say the word and ill stay,

For the rest of my life

Chorus:

You're one for the money

And I'm two for the show, you never looked so pretty

I've never been so lucky, I know

Is it okay if I stay here, and fall in love tonight

Is it okay if I stay here, for the rest of my life
