Intro

oooohh

Yeah yeah yeah

Yeah yeah yeah

alright alright

yeah yeah

Never said Hello, Never walked up to ya

Gotta be there for myself I, wish I was thinkin like

Dont pick up the phone, Shes only gonna hurt ya,

I wish that I knew that you would break my heart that

night I, This that time, Never would have seen cuz love

so Blind,

Because of you I'm gonna need, to go back and erase

my history, oohh I've been livin in a lie

wish i could go back way in time(time)

Before you(you) broke my heart(heart)

Dont even know where I should start to Rewind(back to

the days where I)

Rewind(I had you in my life)

Rewind(back) Rewind(Back) Rewind(back to the days)

Rewind(back to the days where I)

Rewind(I had you in my life)

Rewind(back) Rewind(Back) Rewind(back to the days)

Rewind Rewind Rewind(rewind)
