She's ready to fly me away, get away
She's ready to fly me away, we'll get away
Jason Derulo, we'll get away, I'm ready to go,
away
I'm ready to go, we'll get away, and I'm
ready to go, oho
I'm ready to go, oho, oh
Come on, can't wait to wake up in the morning
Know when she'll be around
Haven should have sent a warning
If I was enemy an angel down
I used to chase all the money
To causing all the broads
But I don't care for them things
Ever since she stole my heart
Uh she's a star, she makes me fly, taking away
