I start to lose my senses
Yeah.
When IÂ'm right awake
Seeing things straight
YouÂ're a love I gotta lose
Even though you never change
You stay the same
I keep on waking up to you
And I donÂ't know why
Cause I know youÂ're gonna make me cry
And I donÂ't know how,
but you do it to me every time
(Chorus)
I fall into your lies
I start to lose my senses
When I look in your eyes
I become defenseless
My heart you hold
And you wonÂ't let go
ItÂ's so paralyzing
----- spell?
Girl you got control
YouÂ're so hypnotizing
You got me sleep walking
You got me sleep walking
You got meÂ...
Odd it seems
YouÂ're in every dream
ThereÂ's no where I can get away
And you stole from me, My sanity
But I never seem to make an escape
But why
When I know youÂ're gonna make me cry
And I donÂ't know how
But you do it to me every time
(Chorus)
You got me sleep walking (4x)
You got meÂ...

CanÂ't wait for the sunrise
To wake up and open my eyes
Somebody pinch me

So I can erase the
Spell she has on my life
-----?
Sip on some coffee
We're leaving
But her love will always
Keep you asleep
(Chorus)
You got me sleep walking (4x)
You got me...
