Baby I got it, got what you need  
Wanna take you places you may never wanna leave  
Let me be ya driver, I'll take you wherever  
Let me sit behind ya, lay it on my leather

Shawty tell me that its okay (okay)  
If I spend the night baby (baby)  
I can give you just what you need  
As long as the light is green  
Tell me that you ready, I'll go (go)  
Caution Imma take it slow (slow)  
Like aww baby, aww baby, aww baby

Gimme a test drive (ey) so I can take you for a ride  
After midnight (ey) we'll go downtown  
Gimme a test drive (ey) gimme a test drive  
When I throw some d's on ya body  
If you ready you can start it by givin me a test drive

I know you ready come roll with me  
We can take it slow  
If ya want I'll bring you up to speed (uhh)  
Tell me you a rider you can be my passenger  
I'll keep both my hands on  
And I won't be askin' you

Shawty tell me that its okay (okay)  
If I spend the night baby (baby)  
I can give you just what you need  
As long as the light is green

Tell me that you ready I'll go (go)

Been waitin' on ya signal before we get down (get

Never wanted somethin' so bad, need you right now  
(right now)  
Baby say the word (word) ill give you all of me (me)  
Long as the light is green

Gimme a test drive (ey) so I can take you for a ride  
After midnight (ey) we'll go downtown  
Gimme a test drive (ey) gimme a test drive  
When I throw some d's on ya body  
If you ready you can start it by givin me a test drive

Gimme a test drive (ohh) so I can take you for a ride
