Chorus (jason derulo)

Hit me wit a text
Let me know you're home alone
Freaky wit that camera phone
Hit you wit a text
Got me on your favorite ringtone
Lately that's your favorite song
Hit me wit a text
It could go down
Hit me and i'll be around
Hit you wit a text
On the low
Nobody will have to know
Just hit me wit a text

Verse 1 (mann):

Ahhh she hit me up in the morning
She be textin' when she stretchin' and yawnin'
She be like "good morning"
I be like "good morning"
While i'm makin' cereal the milk I be pourin'
And i'm eatin' breakfast, never gettin' restless
Like I live in dallas the way i'm readin' texas (texts)
Very interesting,
Always the worst when she be gettin' freaky
But don't do it in person
She be tryna tease me
And my dude, it be workin'
When we workin', the text message be jerkin' yeahhh
That's why I love my female
She send me naked pics straight to my e-mail
Baby girl thick so she must eat well
Got my head spinnin' like some shiny
{incomprehensible} yeahhh
Ya'll might do phone sex but we get it in when she hit
me on the text

Chorus (jason derulo):

Hit me wit a text

Let me know you're home alone
Freaky wit that camera phone
Hit you wit a text
Got me on your favorite ringtone
Lately that's your favorite song
Hit me wit a text
It could go down
Hit me and i'll be around
Hit you wit a text
On the low
Nobody will have to know
Just hit me wit a text

Verse 2 (mann):

Eh yeah hit me on the a.m.
As long as she get at me I don't care it's all the same
And when her phone rang
My ringtone playin' like
Hit me wit a text
Mann is on the brain
I love her screen name
A lace top cutie
And her icon is a pic of her booty
Say she miss me and we see each other often
Don't call girl, let the finger do the talkin'
What, she want the business?
She ain't got to worry
Text me girl and i'll be there in a hurry yeeaahhh
I still love my chick though
She gettin' mad when other girls be on my oooooh!
I got my own catagory on her buddy list
And I know that i'm first and if i'm not i'm gon' be
pissed like
Yeahhh
Ya'll might do phone sex but we get it in when she hit
me on the text
