Jason Derulo

Yeahh

Like a shock, to my heart
When I saw you tonight
Like a dream come alive
For the very first time

When we touch, in the dark
Baby you're blowing my mind
Wish I could freeze you and me
In this moment in time

You got it, what I want
Give it up, shorty
Step it up, for me
and I'll give you everything
All my life, All my love
I give you my fortune and fame
I'd even give you my name

Girl you take me higher
Than I've ever been before
My feet don't touch the floor
We'll Flyyyyyyyyyyyyyyy
The sky's the limit
The sky's the limit
Girl you take me

Up Up Up Uuuup Up Up Uuuup Up

Girl you take me up
You take me higher
The sky's the limit
The sky's the limit

When we dance, when we kiss
Doesn't get any better than this
How you shine, trapped in the spotlight
Finally mine
Yeahhhh

Baby let's go, let's get out of here
Baby let go, got nothing to fear
And now that we're here, Let's disappear
Into the night

You got it, what I want
Give it up, shorty
Step it up, for me
and I'll give you everything
All my life, All my love
I give you my fortune and fame
I'd even give you my name

Girl you take me higher
Than I've ever been before
My feet don't touch the floor
We'll Flyyyyyyyyyyyyyyy
The sky's The limit
The sky's The limit
Girl you take me

Up Up Up Uuuup Up Up Uuuup Up

Girl you take me up
You take me higher
The sky's the limit
The sky's the limit
Ohhhh ohhhh

My feet are on the ceiling
They don't wanna touch the ground anymore
Oh what I feel, I can feel it
Can you feel it (feel It, feel it)

Girl you take me higher
Than I've ever been before
My feet don't touch the floor
We'll flyyyyyyyyyyyyyyy
The sky's the limit
The sky's the limit
Girl you take me

Up Up Up Uuuup Up Up Uuuup Up

Girl You take me up
You take me Higher
The sky's the limit
The sky's the limit
Ohhh Woooow
