If only For Tonight,
You Could be the Only One,
You Could be the Only One For Me,
Only takes Tonight,
As the Tall Guy Threw Your Fantasy,
In my Arms is Where you Wanna Be

Hey Baby are you Goin' my Way,
Want to be Famous, Be My Lucky Day,
I Never seen another Girl like you in my Life,
It's gettin' late and you're all alone,
Would like if I Walk you Home,
Because tonight is a Beautiful Night

So we Walk, and we Talk,
With the Moon and The Stars As Our Light
Got My Heart Beat Like so yeah,
So Amazing, You got me Serenading You
Through the Night,
Just Only one Night with You Baby

If only For Tonight,
You Could be the Only One,
You Could be the Only One For Me,
Only takes Tonight,
As the Tall Guy Threw Your Fantasy,
In my Arms is Where you Wanna Be

(Right here shawty, cuz then)
Do you hear the Cricket Singing Baby,
They only Sing for the Prettiest Ladies,
How does it know that you're Incredible,
Your Smile is so Amazin', Eyes are Captivatin'
Ohh my Heart is Listenin' to the Rythm,
That your Sexy Body ody is Makin'

So we Walk, and we Talk,
With the Moon and The Stars, as I Lie,
So Amazing, You got me Serenated,
You threw the Night

If only For Tonight,
You Could be the Only One,
You Could be the Only One For Me,
Only takes Tonight,
As the Tall Guy Threw Your Fantasy,
In my Arms is Where you Wanna Be

If only For Tonight,
You Could be the Only One,
You Could be the Only One For Me,
Only takes Tonight,
As the Tall Guy Threw Your Fantasy,
In my Arms is Where you Wanna Be
