A hundred and five is the number
That comes to my head
When I think of all the years I wanna be with you
Wake up every morning with you in my bed
That's exactly what I plan to do
And you know one of these days
When I'll get my money right
Buy everything and show you
All the finer things in life
We'll forever be in love
So there ain't no need to rush
But one day I won't be able to ask you loud enough
I'll say will you marry me?
I swear that I will mean it
I'll say will you marry me?
Singin' whoa, whoa, oh, whoa, oh,
Oh yeah,
How many girls in the world can make me feel like this
Baby I don't ever to find out
The more I look the more I find the reasons why
