I got baptized when I was ten  
I got a little dirty so I did it again  
The preacher said son why are you back so soon  
I said "let's get this done I've got things to do"  
I was saved in the morning and back that afternoon

Chorus:

I sing hallelujah and I shout amen  
I wrestle with the devil and sometimes I win  
Sometimes I lose  
Well I hate to disappoint you but I've got these  
No good living, hard time loving, roadhouse singing,  
good time god fearing blues

I turned eighteen and I left home  
God blessed my soul and I was ready to roam  
I got to the desert and I turned around  
Nobody ever told me about the things I found  
I went down to the river, this time I thought I might  
drown

(Chorus)

I keep my hands in my pocket and keep my thoughts to  
myself  
I keep my liquor on the very top shelf  
It's good to meet you preacher but I just can't stay  
I'm going to get to heaven but I'm going my way  
I may see you Sunday morning or I'll see you on  
judgment day

(Chorus)

I've got these no good living, hard time loving,  
roadhouse singing, good time god fearing blues
