Here are the sweetest
four chords that i could find
to give to you
cause you are the sweetest
girl i have ever met
the sweetest yet
You. 4 chords 4 you
I don't know how long it's been
since i could write a song of love
Then you reached into me
and opened up my heart
and set it free
I love the way you laugh
at all my imperfections
and my silly games
you understand me
and still love me just the same
So here are your 4 chords
that make t he sweetest song
because of you
and i know i could go on

writing on and on

i'm so in love
