I gotta get it before it's too late  
Oh I'ma go grab the moment so it won't sleep away  
I just want it all, I want it all yeah  
I just want it all  
I want it all

More money, more money, more money  
I wanna feel like new money till I'm old money  
We have no money mami will old money  
Now I guess show money mami can blow money  
I ain't stuck now this is celebration  
Poverty strickin hood nigga elevation  
Then I'm just chillin with this adaptation  
Tryin to get use... acceleration  
And join all the form... penetration man  
I can't believe I f\*ck with one of those  
Those the one from slumdog and them... clothes  
Bad body pretty eyes extra funny knows  
Who knows, I did... I did  
When you close your eyes lip dream  
Of a beautifully perfect get away  
Now wake up and get it no...

I gotta get it before it's too late  
Oh I'ma go grab the moment so it won't sleep away

I want it all, I ain't got time to waste  
I ain't got time to waste no  
Every minute, every hour I will pay the chase  
So baby, on the road to riches
