Give me rule
I will break them
Show me lines
I will cross them

I need more than
A truth to believe
I need a truth that lives
Moves and breathes

To sweep me off my feet, it's gotta be

More like falling in love
Than something to believe in
More like losing my heart
Than giving my allegiance

Caught up, called out
Come take a look at me now
It's like I'm falling, oh
It's like I'm falling in love

Give me words
I'll misuse them
Obligations
I'll misplace them

'Cause all religion
Ever made of me
Was just a sinner
With a stone tied to my feet

It never set me free, it's gotta be

More like falling in love
Than something to believe in
More like losing my heart
Than giving my allegiance

Caught up, called out
Come take a look at me now
It's like I'm falling, oh

It's like I'm falling in

Love, love, love
Deeper and deeper, it was
Love that made me a believer

In more than a name
A faith, a creed
Falling in love with Jesus brought
The change in me

More like falling in love
Than something to believe in
More like losing my heart
Than giving my allegiance

Caught up, called out
Come take a look at me now
It's like I'm falling, oh
It's like I'm falling

More like falling in love
Than something to believe in
More like losing my heart
Than giving my allegiance

Caught up, called out
Come take a look at me now
It's like I'm falling, oh
It's like I'm falling in love

It's like I'm falling
(Falling in love)
It's like I'm falling
