Jason Harwell- Bad student

Ha ha bad student remix
Imposter J Harwell
Speedo fireproof
You smell something
No need to be alarmed
That's just my own special blend of James Taylor Folk
P.O.D hardcore
Eat your heart out Fay burst

I parked my moped
In the principles parking space
And I take that little yellow ticket that I always get and I
chew it up and spit it on the floor so Olli the janitor has
to dooo something
I go to homeroom
But not my homeroom, no sir
I like to go to homeroom down the street at Hillsberry
Middle School cuz I'm bigger than all the big kids
And in gym class I pull their shorts up over their heads
and give em wedgies
And it's all because

Cuz I'm a bad student!
I'm a bad student!
I use a # 3 pencil on my standard Ice test
Yeah!

I go to lunch
Most days
Half an hour early, that's right
And I always make sure to complement the lunch lady
on her nice hairnets and MOLE so I get extra gravy for
my mashed po-tay-toooooeeesss...
Yeah my girlfriends' jealous
But I don't care!
Its not like she wears things to impress me to begin
with, so it doesn't matter!!!! At all!!!! URRRRR!!!
Sometimes
I go to Spanish class

And they have my picture on the wall
And written underneath it says
"El estudiante muy mal."
Those of you who don't SPEAK Spanish
It means
BAD
STUDENT
And the reason that its there is because...

Cuz I'm a bad student!!!!!!
I'm a bad student!!!!
I get two chocolate milks instead of one but I only drink
one of them
URRR!

I go to the library
And attempt to check out the dictionary
And the librarian that TIME forgot says "you can't
check out the dictionary" and I say, " I can doo
whatEVER I WA N T!
Yeah! That's right!!
I give swirlies
To all the little girl-ieeeeees
And I flush twice not once cuz I'm THAT BAD
And when they start cry'n, which they always do
I just smile and show em my badge that says:

I'm a bad student!!!
I'm a bad student!!!!!!
I'll make fun of your mother...in front of your
mother!!!!!
I'm not scared
YEAH!
YEAH!
UH- HUH!
WOW!

This is a disclaimer for all the good students out there
in the world
It's important to make good grades
So you graduate
So you get a job
So you can...further educate yourself
So you don't sing SONGS like THIS!
YEAH!
